Hurricane Grill & Wings Catering Menu

Hurricane Grill and Wings first blew open it's doors in April 1995 at its original location overlooking the ocean in Ft. Pierce, Florida. It didn't take long for guests from near and far to crave over 30 "flowingwithflavorSM" varieties of award winning wings which have become the signature of the Hurricane Grill and Wings menu.

Their cooking oils contain no trans fats, and a percentage of the oil is recycled into the making of bio-diesel fuel.
